**DOCK OWNER INFORMATION**

Date: _____

The Corps of Engineers must maintain a current list of the owners of docks on _____ Lake. The name and address of each owner must be provided along with the State registration number (i.e. MO-2186-AX) for all boats which will be moored in the dock. This information should be submitted in the form of a current boat registration indicating the boat owner name(s) and boat registration number(s) along with this completed form. This information is required of all owners regardless of whether the dock in individually or group owned. Please return this form with the requested information.
